Transformerz Xplosions

What is a Transformerz Xplosion?

This is a revival gathering of tweens and teens to encounter God, to meet Him face to face and to experience the transformational and healing power of God in their inner world. It is a time for salvation, to be filled with His Loving Presence and be overcome by the Power of the Holy Spirit.

Roles of tweens and teens at Xplosions?

Our Xplosions are 2 to 3 hour long events, either inside a building or outside. Our Xplosions are hosted by tweens and teens who attend our Transformerz Fire School (ministry school). They plan the event, assist with set-up and also run the programme for the Xplosion. Our tweens and teens preach, facilitate God Encounters, participate in the worship band, do one-on-one altar ministry, minister healing and prophetic words from the stage and much more.

We also invite some tweens and teens from local churches to also join our ministry team. This is a wonderful opportunity for them to get activated in their giftings

What happens at an Xplosion?

We follow the lead of the Holy Spirit during our Xplosions. We plan a variety of activities, but the Holy Spirit is our final authority. We always plan a variety of activities, that can include:

Connect with each other: Play games and small group discussions
Connect with God: Extended Praise and Worship, facilitated God Encounters (to hear God's voice for themselves), Communion, teen preacher

Ministry: Prophetic and healing ministry from the stage, one-on-one prayer, call for salvation and baptism in the Holy Spirit

Xplosions are FREE! Tweens and teens can attend our Xplosions, at no cost. They only need a ticket for entry

Join the Transformerz Movement!

We would like tweens and teens that attend an Xplosion, to join our Transformerz movement. This participation will provide tremendous opportunity for spiritual growth and personal development! Here are ways in which tweens and teens can actively participate in the Transformerz movement:

1. Join our Online Fire School (at no cost). We meet once a month on zoom.
2. Participate in our Bible Studies
3. Become part of our community on Instagram and YouTube.

Partner with Transformerz!

Give financially to Transformerz! We want to give the gospel for free and need funds for each event. We believe that your financial seed will yield good fruit, to the benefit of South African society. Our banking details:
